report date 05 Jan 2016

Yarding Change 917
0

comparison date 29/12/2015

Agents started the year by yarding 917 live weight and open auction cattle. These cattle were of mixed quality and sold to the usual field of trade and processor buyers, however not all were fully active. Feedlot and restocking support was present throughout the offering, with prices generally softer across the board.

Only a few vealers came forward as steers sold to 298c, with heifers to 285c/kg. Restockers and feeders were very active on yearling steers as they purchased the bulk of these cattle ranging from 230c-250c for lighter weights, and 271c to 293c/kg for the better conditioned types. The trade weight supplies sold to 296c/kg. Yearling heifers to the trade mainly ranged from 230c-288c, with feeder and restocker interest from 249c-278c/kg.

Small numbers of grown steers came forward as they ranged from 270c-282c, with grown heifers ranging from 242c-270c/kg. Cows ranged from 205c-220c for the heavier types, with the lighter selection ranging from 185c-210c/kg. Bulls ranged from 200c-232c/kg.

Category Weight	Sale Prefix	Muscle Score	Fat Score	Head	Live Weight c/kg				Estimated Carcase Weight c/kg			Estimated \$/Head
