

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Pakenham

report date 24 May 2016

Yarding Change 365
-134

comparison date 17/05/2016

There were approximately 350 cows and 15 bulls penned representing a decrease of 130 head week-on-week. The usual buying group was present and operating in a generally firm market, a little cheaper on some sales. Quality was mixed, with fewer light weights and a similar offering of heavy weight beef cows. Heavy weight beef cows showing good finish sold firm to a few cents dearer, while lighter and leaner grades were firm to a few cents easier. A plainer run of heavy weight bulls sold to firm demand.

Most light and medium weight cows sold from 150c to 226c/kg. Heavy weight cows made mostly between 192c and 256c/kg. Restocking cows sold between 150c and 218c/kg. Heavy weight bulls made from 240c to 285c/kg.
