

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Dubbo

report date 09 Jun 2016

Yarding Change 1389  
-946

comparison date 02/06/2016

Rain in the supply area reduced numbers and the quality was good with a large number of well finished yearlings offered. Feeders were active on most lines of young cattle and processors were keen to secure numbers. Grown steers and bullocks were very limited and there were around 200 mixed quality cows penned. Most of the usual buyers operated in a dearer market.

Light restocking steer vealers ranged from 316c to 362c/kg. Heavy trade vealers lifted 15c to 20c and ranged from 339c to 362c/kg. Feeder steers and heifers gained 25c with steers selling from 280c to 369c averaging 355c/kg. Medium weight heifers to feed made 290c to 323c/kg. Trade yearlings were 15c to 20c stronger, with steers 300c to 354c and heifers 310c to 344c/kg.

Prime grown steers and bullocks were in very limited numbers with heavy bullocks reaching 310c/kg. Medium weight cows sold from 221c to 248c, heavy D muscled 3 and 4 scores 235c to 263c and C muscle cows 276c to 279c/kg.
