

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Pakenham

report date 20 Jun 2016

Yarding Change <sup>960</sup>  
110

comparison date 06/06/2016

There were approximately 300 export and 660 young cattle penned representing an increase of 110 head from the sale of a fortnight ago. The usual buying group was present and competing in a dearer market. Quality was mixed with a scattering of grain assisted trade cattle selling to a premium while the grass cattle, which mostly lacked finish, sold to strong feeder and restocker competition. Feeder cattle sold 5c to 15c/kg dearer. Heavy weight vealers to butcher orders gained 10c/kg. Yearling trade steers improved 10c while the heifers to the trade jumped 20c/kg for most. The grown steer draft was lacking weight again with most selling 5c to 10c dearer and up to 20c/kg in paces.

Heavy weight vealers to butchers sold from 322c to 350c/kg. Yearling trade steers made between 316c and 345c/kg. Yearling heifers to the trade sold between 306c and 349c/kg. Feeder steers made from 290c to 336c with the heifer portion from 280c to 330c/kg.

Grown steers sold from 302c to 336c/kg. Bullocks made between 309c and 328c/kg for a limited selection. A handful of heavy weight grown heifers reached a top of 295c/kg. Crossbred manufacturing steers reached 312c/kg and were also in short supply.
