

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Dubbo

report date 14 Jul 2016

Yarding Change $\frac{2360}{725}$

comparison date 07/07/2016

It was overall a good quality yarding, with a good selection of trade and heavy weight cattle throughout though the cow quality was not to the standard of the previous sale. Most of the regular buyers were operating with the exception of a northern feeder operator.

Vealers to the trade were firm, selling to 370c while the yearlings were 7c to 10c/kg cheaper. Prime steer yearlings sold from 325c to 357c while the prime heifer yearlings sold from 302c to 362c/kg. Feeder steers were 4c cheaper in contrast to the feeder heifers which were 4c to 6c/kg dearer. The feeder steers sold from 329c to 383c while the feeder heifers sold to 356c/kg. Young steers to the restockers were cheaper selling to 391c/kg.

Grown steers were 6c dearer, with the prime medium and heavy weights selling from 325c to 356c/kg. Grown heifers sold to 330c/kg. The plainer conditioned lighter weight cows were 5c to 7c dearer while the better finished heavier weights were 1c to 3c/kg cheaper mainly due to quality. 2 score cows sold from 182c to 225c while the better 3 and 4 scores sold from 225c to 270c, with the 4 score heavy weights averaging 256c/kg. Bulls sold to 280c/kg.
