

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Dubbo

report date 21 Jul 2016

Yarding Change ¹³⁴²
-1018

comparison date 14/07/2016

Numbers were back due to heavy rainfall in the supply area and the quality was mixed. Yearlings made up the bulk of the cattle with prime cattle in short supply and feeders were active on all other lines. Prime grown steers and bullocks were also limited and there were around 250 cows offered. Not all the usual buyers were operating in a dearer market.

Vealers to Restockers gained 20c on the lighter weights ranging from 360c to 410c/kg. Heavy butcher vealers were 15c to 20c stronger selling to 380c/kg. Feeder steers gained 9c to 15c ranging from 351c to 389c/kg. Heifers to feed gained 5c to 10c and made from 320c to 362c/kg. Trade steers and heifers lifted up to 20c on limited numbers and sold from 335c to 365c/kg.

Grown steers lifted 10c to average 345c, and grown heifers received 311c to 345c/kg for the C muscled. Cows sold to strong competition with the heavy weights 10c to 15c/kg dearer and the light 2 score cows were dearer again. Medium weight 2 scores sold from 210c to 259c and the heavy 3 and 4 scores made from 248c to 274c to average 263c/kg.
