comparison date 19/07/2016

Numbers were similar and cattle showed varying prices trend due to the plainer offering. There was a limited supply of supplementary fed cattle which were paid premium prices. Export buying competition was sporadic at times with some processors only purchasing Angus cattle.

Vealers were in short supply and the better finished types sold at 350c to 387.6c/kg. Trade heifers were in reasonable supply and quality slipped to the previous sale resulting in prices easing 5c to average 344c/kg. Trade steers were unchanged making from 345c to 368c/kg. Feeder steers prices eased up to 8c with the lighter weights making from 340c to 370c/kg.

In the export market a shortage of heavy cattle helped lift prices 5c to 9c/kg. Heavy grown steers and bullocks made from 332c to 368c/kg. Heavy heifers were keenly contested by all buyers and prices surged up to 24c with the better shapes selling at 312c to 349c/kg.
