

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Pakenham

report date 30 Aug 2016

Yarding Change $\frac{212}{104}$

comparison date 23/08/2016

There were approximately 200 cows and 15 bulls penned representing an increase of 107 head week-on-week. Most of the usual buying group was present and operating in a cheaper market for most heavy weights, firm for the leaner grades. Quality was limited to a handful of well covered beef cows and a better selection of re-fattened dairy cows. Heavy cows sold up to 20c/kg cheaper, while the lighter and leaner grades sold mostly firm. Heavy weight bulls eased a few cents with quality an issue.

Most light and medium weight cows sold from 200c to 248c/kg. Heavy weight cows made mostly between 222c and 281c/kg. Grown heifers reached a top of 311c/kg. Heavy weight bulls sold between 248c and 293c/kg.
