comparison date 25/10/2016

There were approximately 250 cows and 10 bulls penned representing a decrease of 80 head from the sale of a fortnight ago. The usual buying group was present and operating in a dearer market. Quality was good with most weights and grades represented and a good selection of well finished heavy weights on offer. Most buyers were competing for the limited offering with cow prices lifting up to 10c/kg while the heavy weight bulls sold to firm demand.

Most light and medium weight cows sold from 180c to 231c/kg. Heavy weight cows made mostly between 217c and 275c/kg. Heavy weight bulls sold between 254c and 285c/kg.
