There were approximately 160 cows and 15 bulls penned representing a decrease of 80 head week-on-week. The usual buying group was present but not all operating in a solid market. Quality was good with a large proportion of the limited offering being well finished heavy weights. Competition was strong from processors for all grades of cows with prices generally firm to a few cents dearer. A better selection of heavy weight bulls sold up to 9c/kg dearer.

Most light and medium weight cows sold from 190c to 242c/kg. Heavy weight cows made mostly between 223c and 273c/kg. Heavy weight bulls sold between 268c and 298c/kg.
