

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Naracoorte

report date 22 Nov 2016

Yarding Change ¹³³¹/₃₀₃

comparison date 15/11/2016

Numbers rose to 1,331 head of live weight and open auction cattle at Naracoorte today. A very large field of trade and processor buyers sought supply along with feeders and an increased number of restocker orders. The quality of the yarding was mixed with some excellent weights and condition in places combined with more secondary types as the market sold to a general easier trend.

More excellent quality pens of vealers came forward with steers to the trade ranging from 350c to 366c with a restocker order purchasing a significant number from 356c to 363c/kg. Vealer heifers to the trade ranged from 320c to 350c with restockers and feeders active from 322c to 350c/kg. A similar number of yearling steers came forward with the trade active ranging from 284c to 334c with a drop in price of 10c/kg. Restockers and feeders sought supply ranging from 292c to 352c/kg. Yearling heifers to the trade ranged from mainly 282c to 342c to average 300c/kg.

Grown steers were of mixed quality as they ranged from mainly 288c to 320c with heavier weight bullocks ranging from 266c to 276c/kg. A large selection of type and quality in the grown heifers as they ranged from 242c to 312c with manufacturing steers ranging from 210c to 255c/kg. Cow numbers lifted with the light weight D1 and D2 types ranging from 176c to 245c with restocker activity ranging from 206c to 218c/kg. Heavy weight cows ranged from 235c to 253c to buck the easier trend and be firm to 2c/kg better in price with some excellent cows coming forward. Heavy weight bulls ranged from 222c to 256c with light weight types selling to a high of 320c/kg.
