comparison date 27/12/2016

It was a small offering for the first sale of 2017 at NVLX Wodonga. Not all the usual buyers were present or operating in the mixed quality yarding. There was some restocker interest along with a few local feedlot orders.

The very good quality supply of vealers sold to strong domestic competition which caused prices to lift. Well finished veal with finish made 338c to 361c/kg. There were insufficient numbers of trade heifers to quote. The top pen sold at 318c/kg. The reduced supply of steers suitable for the trade made from 306c to 310c/kg.

Not all feed lot buyers attended or operated. Well-bred yearling steers sold from 310c to 324c/kg. There were less feeder heifer orders in place and well-bred heifers to feed on sold at 310c to 332c/kg.

The small offering of grown steers and bullocks sold to a reduced field of buyers. The C3 and C4 steers sold from 274c to 328c/kg.
