There was a slight reduction in numbers and the quality remained fair to good. Most of the young cattle suited the feeder orders and trade yearlings were limited. Grown steers and bullocks were back in numbers mostly in the heavy bullock runs and just over 300 cows were offered to a slightly smaller export buying group while all the trade and feeder orders were active.

The best of the restocking vealer steers reached 395c and trade vealers sold to 361c/kg. Medium weight feeder steers and heifers were 2c to 3c cheaper but the better covered and heavier weights were 6c to 10c/kg dearer. Steers ranged from 307c to 363c and heifers 314c to 340c/kg. The limited number of trade steers were 8c dearer on the heavy weights selling from 285c to 328c/kg. Demand eased for trade heifers and they fell 20c selling from 285c to 307c/kg.

Grown steers and bullocks were 8c cheaper receiving 285c to 315c and grown heifers averaged 270c/kg. Medium weight 2 score cows sold 2c/kg dearer on average but some lines were well above that. Prices ranged from 210c to 242c/kg. Heavy cows were firm 231c to 253c averaging 241c/kg. The best of the heavy bulls reached 265c/kg.
