

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

South Australia

report date

03 Feb 2017

This week, the SA over-the-hook indicators settled dearer across all categories - with cow and MSA accredited yearling categories finishing stronger as tight supplies reportedly continue to have an effect. Please note, trends are not included in this week's report as a result of one contributor returning to quote.

Grade	Weight Range (cwt kg)	Dentition	Muscle Score	Fat (mm)	Average (c/kg cwt)	Trend	
MSA Yearlings	222 242	0.0.000		5 00	560		
Steers	220-240	0-2 (YG)	A-C	5-22	560	NQ
