comparison date 07/03/2017

Quality remained mixed, as numbers slipped considerably, with the surrounding area receiving rainfall. Yearlings along with grown steers were well supplied, with around 550 cows in the penning. The usual orders competed, as the market on average held firm to slightly dearer.

The over 200kg vealer steers to the restockers trended 7c dearer, making from 308c to 382c/kg. The same weight heifer portion returning to the paddock maintained firm prices at 309c to 322c/kg. The yearling steers to lot feeder orders sold 3c either side of firm, with the medium weights ranging from 321c to 338c, as the heavier end sold from 290c to 341c/kg. The medium weight yearling heifers to the lot feeders also sold close to firm, making from 285c to 318c/kg. The prime conditioned younger cattle to the trade and butcher orders lifted 10c, with the best topping at 347c/kg.

The heavy weight grown steers and bullocks to slaughter lifted 5c and sold from 280c to 312c, with the heifer portion gaining 6c to reach 288c/kg. The cows improved 2c to 4c, with the plainer 2 scores averaging 211c, as the better covered heavy weights ranged from 222c to 240c/kg. Restockers competed strongly for the poorer quality cows, as these lifted 5c and sold from 192c to 221c/kg. Heavy weight bulls lifted 7c, with the best topping at 266c/kg.
