comparison date 07/03/2017

A Public holiday on the Monday meant a very small yarding for Pakenham, perhaps a sign of more to come as cattle numbers tighten around the state. There were 56 cows and 8 bulls penned. The majority of the cows were of plain quality with only a small number of better shaped beef types.

The heavy beef cows made from 221c to 254c/kg. There were a few lots of light weight dairy cows that made from 155c to 188c/kg. The heavy Friesians reached 235c/kg.

There were a few very good B muscled bulls and prices ranged from 270c to 278c, plainer bulls made from 192c to 210c/kg.
