AuctionsPlus Market Comments: Week Ending 14th August

By: Anna Adams

Cows \$ Calves \$2000
Feeder Steers 337c

Cattle numbers jumped to 9,116 head and while some categories softened, there has not been the correction experienced in some physical marketplaces this week.

The better quality end of light steers are nudging slowly towards the \$4/kg mark, this week ranging from 260c to 383c averaging 322c, up 8c on last week, and heifers made from 230c to also top at 383c, averaging 279c to drop 4c. 250kg-300kg steers made 253c to 328c averaging 303c, down 16c and heifers sold from 230c to 309c to average 263c, down 23c. 300kg-350kg steers sold from 275c to 332c averaging 316c, down 1c, and heifers made 239c to 305c to average 267c, down 21c. The top rates were for steers over 350kg, ranging from 280c to 337c to average 325c, a huge leap of 23c on last week.

Cows with calves at foot were highly sought after, with first calving heifers making up to \$2000 for Pattawalla blood Angus heifers with Angus calves at foot out of Mangoplah, and \$1860 for the Black Baldy heifers from the same property. Mixed age lines primarily from QLD made \$1000 to \$1370. PTIC females in mixed age lines sold from \$930 to \$1050, young cows made \$1010 to \$1100, and first calvers made \$825 to a top of \$1200 for Droughtmaster heifers at Blackall in calf to Brangus.

AuctionsPlus will run a free Producer Workshop in Tamworth at the West Bowling Club on Tuesday 25th September from 5pm. If you are in the area, come along to hear about some exciting new opportunities, give us your feedback and enjoy a BBQ and a few beers on us.
