AuctionsPlus Market Comments: Week Ending 17th October

By: Anna Adams

A modest reduction in cattle numbers saw 4,357 head offered, with backgrounder cattle experiencing a price increase on the back of this week's rainfall.

Fewer feeder type cattle this week but good numbers of backgrounders attracted plenty of buyers in today's Eastern States sales. Light steers under 250kg made 231c to 246c to average 240c. 250kg-300kg steers made 202c-241c averaging 223c, up 14c on last week, while heifers were well represented in this weight range and made 165c to 214c to average 189c, up 11c. 300kg-350kg steers made 211c-238c to average 227c, and yearling heifers weighing over 300kg averaged 192c, with prices from 174c to 211c.

Bigger numbers of in-calf females went to restockers than we have seen in many weeks. Young cows sold from \$825 to \$1010, and a four to six year old line of Sprys blood Shorthorn cows in calf to Shorthorn bulls made \$1160. Heifers with their first calf at foot sold from \$965 to a top of \$1530 again for Sprys blood Shorthorn units, young cows with second and third calves made \$1050 to \$1220, and mixed age lines with calves sold from \$825 to \$983.

Cattle
