

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

NVLX Barnawatha

report date 18 Feb 2015

Yarding Change 0⁴⁹⁵

comparison date 11/02/2015

It was a very mixed quality offering of beef and dairy cows with all weights and grades represented. Buying competition was solid over all categories, however the market did ease a few cents a kilogram. There was a smaller contingent of buyers operating, along with local restocker competition.

Well finished cows were in short supply and made from 172c to 201c/kg. Two and three score cows were in reasonable supply and this category sold to strong competition from all processors, with the better conditioned leaner young cows selling to unchanged rates. The D2 and D3 cows made from 166c to 188c/kg. Friesian cows were very mixed in quality selling from 136c to 181c/kg.

Heavy well shaped bulls sold to solid demand with well-shaped heavy B and C muscled bulls, making from 178c to 193.2c/kg.
