

Australian Agricultural Company Limited

Workshop Supervisor / Mechanic, Tipperary Station, NT

The Australian Agricultural Company (AAco) is the largest vertically integrated beef cattle producer and marketer in Australia, running over 650,000 head of cattle.

AAco is currently offering an opportunity for a **Workshop Supervisor/Mechanic** to join the AAco team at **Tipperary** Station which is situated in the Northern Territory's Douglas Daly District, approximately 180kms from Darwin.

The position offers an excellent opportunity for a career pathway through AAco for future roles with higher levels of responsibility.

We are looking for someone with:

- Experience in maintenance of all fixed and running machinery and yards
- Sound general handyman and maintenance skills.
- Heavy vehicle license
- Effective organisational, leadership and teaching skills
- Natural self-motivation and organisation skills
- Basic computer skills

Relevant experience would be an advantage however skills in maintenance and machinery operation, welding and fabrication, and desire to make a career change are the major prerequisites. Progression within the company is encouraged and professional development will be a part of your career with AAco.

Remuneration package, including on-station housing and other benefits will be discussed during the interview process.

Join AAco Today? Please submit your application at www.aaco.com.au/jobs or contact **Zilona** on 073 368 4430 to discuss.
