

Traineeships program

The Elders traineeship is designed to give people a starting point in a career as a Stock and Station Agent, concentrating in the livestock and wool industry.

As an Elders trainee you will develop your skills and knowledge through valuable hands-on experience, online learning programs, and face-to-face workshops.

The Traineeship is an 18 month program which will give you an in-depth understanding of:

- the Elders way of working with clients and how we work to deliver value to their business
- the legislation we must comply with
- the systems we use to carry out our business effectively and efficiently
- how to prepare and select stock for sale
- how to deliver marketing options and industry information to farmers and graziers
- how to create a network of contacts that provide a long and rewarding career within Elders

On successful completion of the Elders Traineeship you will have a broad understanding of Elders and the livestock industry as well as a nationally recognised qualification, Cert. IV in Agriculture.

Trainees who successfully complete the program are given the opportunity to apply for permanent livestock or wool roles with Elders. When you join our team, you can be certain you are working for a truly progressive agribusiness offering diverse opportunities backed by 175 years of experience.

Applications for Elders Traineeship positions to commence from early April 2014 are now open.

We are looking for people with:

- a minimum of 2 years livestock or wool experience
- effective communication and interpersonal skills
- self motivation, and a great work ethic
- a desire to build a long term career in the livestock or wool industry

As these positions are national roles, the successful candidates must be willing to relocate throughout our national network.

If you believe you have the attributes to meet the requirements for this position, please email your resume and a covering letter outlining your experience to simone.dand@elders.com.au

Please ensure you place "Elders Traineeship Application" in the subject line of your email.

Applications will close 31st January 2014.
