

Jindalee feedlot – Livestock team member

We have an opportunity within the livestock team of our modern 17,000 head feedlot located 20km from Temora in southern NSW. Applicants will have sound horsemanship skills with experience in cattle handling.

Main responsibilities will include (but are not limited to):

- daily livestock handling including pen riding and stock movements
- diagnosis of animal health symptoms
- administration of animal health treatments
- maintaining accurate records of animal treatments
- maintaining team compliance with OHS and QA.

Training in feedlot operations will be provided.

You will be required to supply two suitable horses and tack. Working roster includes alternate weekends and some public holidays/ overtime. An attractive remuneration package including penalty rates apply.

Written applications (including cover letter and resume) should be forwarded to:

Operations Manager
