

Non-Executive Directors

The Australian Livestock Export Corporation Ltd (LiveCorp), is seeking expressions of interest from suitably qualified candidates for two Non-Executive Director positions on the Board.

The company is the service provider to the livestock export sector through the implementation of market access programs, the enhancement of livestock management and welfare, industry communications, research and development, education and training.

The Board comprises of two representatives from within industry, as well as three independent Directors with special qualifications.

The application should include an outline of the skills and experience in:

- Livestock management and welfare;
- product promotion;
- business and financial management;
- R&D, technology transfer, commercialisation of research or innovation; and
- corporate governance.

The appointment will be made via an independent Selection Committee.

Applications close: 26 July 2013
