

LIVEX TRAINEE – Northern Territory

Progressive family owned company is seeking applicants for the position of Livex Trainee.

The company is based in the Northern Territory (near Darwin) with subsidiary offices in South East Asia. We are a growing business with a strong focus on team work and success.

We have a great entry level opportunity for the successful candidate to develop new skills, gain a through understanding of the industry and our operations.

Duties will include:

- Livestock handling, processing and animal husbandry
- Pasture management and weed control
- Basic machinery operation and maintenance
- Infrastructure repair and improvement
- Export industry operations and market knowledge

The position requires

- Sound physical condition & tidy appearance
- Ability to work as a team member
- Basic literacy and numeracy skills
- Agricultural background preferred but not essential

Modern, basic accommodation including meals is provided for this position and the right person will be rewarded for their efforts. Great team environment.

This is a great opportunity to commence your career!
