

Mort & Co, together with Meat & Livestock Australia and Coopers Animal Health invite you to attend a **Lot Feeding Forum – OPTIONS & OPPORTUNITIES**

Start your year on the front foot by gaining an overview of options and opportunities on offer in 2013.

Ben Maher, Mort & Co Private Client Manager will explain the ins and outs of feed lotting as well as the benefits of custom feeding the Mort & Co way.

Ben Thomas, MLA Beef Market Analyst – Trade and Economics, will provide you with the latest forecasts for the beef industry.

Coopers Animal Health Australia will explain the benefits of pre-vaccination programs and the importance of designing an HGP program to suit your operation.

Plus, two local producers will provide a snapshot of their businesses and share their personal insights.

Each 3 hour forum will be interactive and allow plenty of time for questions and feedback.

TOPICS WILL INCLUDE:

- Australian supply and production.
- Grass-fed and grain-fed activity.
- Beef and veal exports.
- Feed lotting – understanding the ins and outs.
- Custom feeding – retaining ownership to maximise profits.
- Backgrounding opportunities.
- Pre-vaccination and pre-conditioning your feed cattle.
- Hormone Growth Promotants – designing HGP programs to best suit your operation.
- Feeding for the EU – where is it heading?
- My beef business – a local producer's perspective.
- Animal welfare – is it fit to load?
