

# Team up with Mort & Co

**Mort & Co operates extensive lot feeding, farming and grazing operations across three properties in Southern Queensland and Northern New South Wales.**

We offer a diverse and exciting range of employment and career opportunities.

If you are an enthusiastic, motivated team player with a passion for agriculture we can provide training, a range of experiences and the opportunities for you to thrive.

**Mort & Co** regularly recruits quality candidates to fill vacancies in the following areas:

- Livestock welfare, health and handling
- Plant and machinery operation and maintenance
- Feed milling
- Dryland and irrigated farming
- Commodity procurement and trading
- Administration and accounts
- Human resources
- Corporate services.

**Industry leader**

**Continuous improvement**

**Operational excellence**
