

LIVESTOCK OPERATIONS MANAGER

Mort & Co is one of Australia's largest lot feeding businesses, with a turnover in excess of 150,000 head of cattle per year. Mort & Co operate three feedlot and farming operations in SE Queensland and Northern New South Wales.

Our progressive business is seeking a Livestock Operations Manager to be based in Toowoomba.

The Role:

- Livestock procurement including paddock (direct/agent) & saleyard purchases
- Coordinate inbound & outbound livestock logistics
- Work closely with feedlot staff to ensure adherence to specifications & feedlot space utilisation
- Liaise closely with commission buyers, agents & producers regarding livestock pricing, specifications, bookings & deliveries
- Provide financial analysis and market information to the management group
- Livestock purchase contracts & delivery scheduling
- Align & forecast the livestock sales position (forward contract/spot) to accurately reflect the feedlot livestock inventory
- Establish and maintain productive relationships with internal and external stakeholders

The Requirements:

- Industry experience and extensive knowledge of the producer/agency network, feedlotting and processing.
- Excellent interpersonal and negotiation skills
- Demonstrated capacity to build and maintain professional relationships, partnerships and networks
- Sound computer & spreadsheet skills including the ability to maintain inventory software & databases

We look forward to hearing from suitable applicants with relevant experience.

To apply send a cover letter and resume (inclusive of referees) to:
