

## Chairman AUS-MEAT Limited

The Board of Directors of AUS-MEAT Limited is seeking to appoint a new independent Chairman pending the retirement of the incumbent Chair later this year.

AUS-MEAT has been providing services to the meat and livestock industry since 1987, cited as the Standards Body responsible for setting standards for meat export under Regulation 3 (1) of the Australian Meat and Livestock Industry (Export Licensing) Regulations 1998.

AUS-MEAT Limited is an industry-owned company operating as a joint venture between Meat & Livestock Australia (MLA) and the Australian Meat Processor Corporation (AMPC), and runs efficient, disciplined business practices operating under internationally recognised Quality Management Systems ISO 9001.

AUS-MEAT operates as a non-profit company limited by guarantee that is wholly owned by its member bodies, MLA and AMPC, and since early 1990s AUS-MEAT adopted a business diversification and growth strategy that has included involvement with a range of programs in the agricultural, horticultural and food processing industries.

As Chairman of AUS-MEAT you would need to be passionate about the Australian meat and livestock industry and have experience in previous roles on Boards or Committees closely associated with meat processing or livestock production.

The role is ideally suited to a person with demonstrated leadership skills, directors responsibility in the maintenance of governance frameworks to ensure strategic and governance objectives have been met, combined with an ability to build professional leadership with diverse stakeholders including government, sector organisations and peak bodies. A prerequisite for this role is a sound knowledge of the export supply chain based on quality management systems.

Suitably qualified applicants should forward a resume and Expression of Interest addressed directly to the **Selection Committee for the Chairman AUS-MEAT Limited** at AUS-MEAT PO Box 3403, Tingalpa DC, QLD 4173, by close of business **15 November 2013**.
