At Iranda our employees are our most valuable asset. In our quest for continuous improvement we encourage staff to be involved and to put forward ideas that will improve our operation. We encourage professional and personal development through training, both on and off site.

About the company

Located at Tintinara, 2 hours South East of Adelaide, Iranda Beef is an Australian, family owned and operated agribusiness operation which has recently formed a partnership with Thomas Foods International Pty Ltd, the third largest meat processor in Australia.

Currently feeding 3000 head with a license to feed 10000 head, the opportunity exists for you to be involved in this exciting development.

Our Vision is to supply our customers with a quality product that not just meets specification, but with an experience that exceeds their expectation.

Our mission is to achieve the best possible feeding outcomes in a modern and efficient feedlot, achieving excellence in all areas of our integrated farming and feedlot operations, whilst being committed to safety, the well being of our staff and the satisfaction of our suppliers and customers.

A competitive remuneration package, including a house will be negotiated depending on your skills and experience.
