

Leading Hand - Livestock

A person with livestock and organisational skills is required to fill a position of responsibility available within the livestock team at Wonga Plains Feedlot, Bowenville Qld. Reporting directly to the Livestock Supervisor and working closely with other supervisors and managers.

Duties & Responsibilities:

- Leading a work team of 2 to 5 staff;
- Receive, dispatch and drafting of cattle;
- Data entry;
- Quality assurance and compliance monitoring activities;
- Ensuring compliance to Occupational Health and Safety requirements;
- Driving low stress stock handling practices; and
- General feedlot duties.

Knowledge, Experience & Abilities:

- Stock handling skills, and
- Experience with computers.

The successful applicant will be self-motivated, positive attitude, honest, keen to learn & reliable. The position involves high attention to detail and total commitment to workplace health and safety. This position involves working within a high performance team focussed on continuous improvement and personal development.

Several years' experience will be highly regarded. This position is permanent full time with a 10/4 roster – including alternate weekends.

Please forward your cover letter, resume and at least 2 referees to;
