

**Food industry Recruitment Specialists**

**Senior Quality Assurance Executive**  
**Food processing industry leader**  
**Outstanding career role**  
**Sydney**

Our client is a **leading food processing organisation** with a significant track record in the delivery of a broad range of high quality products with a commitment to efficiency, value adding and **service excellence in a team of dedicated and talented employees.**

We currently have an exciting opportunity for an experienced **senior QA Manager** to join their professional team.

This role will see you **maintaining and enhancing a Quality Management System** that delivers quality food products, as well as meeting customer and legislative requirements.

- Develop, implement and document a **HACCP & Coles, Aldi or Woolworths based quality management systems** for the organisation
- Oversee all quality related activities on site in accordance with the QMS/Quality Manual and associate SOPs.
- **Manage a team of technically qualified QA** staff to carry out verification and validation activities
- **Lead and continuously improve the QA team** effectively in meeting the changing needs of the business
- **Champion the importance of Quality Assurance on the production floor**, including GMP, through high visibility of the QA team and ensuring QA involvement in processes
- Assist in dealing with suppliers, stock monitoring and purchasing of ingredients
- Oversee all training records and **internal auditing to ensure technical compliance**

Candidates must have a **minimum of 5 to 8 years' experience in a similar supervisory position** in a fast paced food manufacturing or related environment supported by **appropriate tertiary qualifications in Food Science or equivalent.**

Naturally you will display a **sound grounding in Quality Management Systems**, possess excellent organisation skills, have **outstanding problem solving skills** and of course the ability to communicate confidently at all levels

Whilst previous **experience in fast moving consumer goods would be advantageous**, we are seeking a highly motivated individual with a thorough understanding of Quality Assurance.

**This is an exceptional career role which will attract and reward first tier candidates.**

**Complete confidentiality is assured.**

**Please send your covering letter and detailed resume to Neil Barrie in strict confidence to [nbarrie@wprecruitment.com](mailto:nbarrie@wprecruitment.com)**

**Confidential enquiries are welcome on 03 96541611.**
