

# GENERAL MANAGER

Thomas Borthwick & Sons has been involved in the Australian meat processing industry for 109 years. Established in 1905 it is now an integral member of the NH Foods Australia group of companies and operates one of Australia's largest beef processing plants in Mackay, Queensland.

NH Foods Australia Pty Ltd is one of Australia's leading meat processors with three beef processing facilities, the country's largest feedlot, and a head office based in North Sydney

## **About the role**

Reporting to the Managing Director of NH Foods Australia, we are seeking an experienced General Manager to lead our management team and develop our plant in Mackay, QLD. This role requires strong leadership and excellent communication skills with a commercial acumen across a broad range of business initiatives in the meat processing sector. Proven experience in managing a large high volume production facility with an emphasis on best practice OHS and QA standards are essential for this position.

## **Key responsibilities**

- Monitor day to day operations including financial P&L
- Evaluate livestock procurement strategies
- Ensure compliance with all legal and regulatory requirements
- Establish best practice procedures throughout the production process.
- Manage plant utilisation and optimisation to ensure outputs are based on group strategic plans
- Coordinate and support management team in achieving objectives.
- Industrial relations and Enterprise bargaining
- Manage key relationships with suppliers and customers
- Disciplined focus on costs and operational improvements

**Skills required**

- Meat processing experience
- Commercial and business acumen
- Aptitude for communicating messages effectively
- Ability to lead and inspire management team
- Capacity to identify and resolve conflict
- Commitment to success
- Tertiary qualifications are desired but not essential

**Key reports**

- Plant Manager
- Livestock Manager
- HR Manager
- Engineering Manager
- Finance & Administration Manager
- Production/Sales Coordinator

This is an outstanding opportunity for a focused individual to further their executive career in the meat processing industry. An attractive remuneration package is on offer for the successful candidate.
