

## **Livestock & Wool - Market Operator Position**

AuctionsPlus and Wooltrade are looking for a recent graduate or person with suitable experience to join us in an entry level role of Market Operations Officer. Working in our busy Sydney office you will be involved in the online auctioning of both livestock and wool through our online systems whilst showing excellent customer service to our valued clients. You will be in contact with a wide selection of clients from both industries so being a good communicator is essential. Our business is growing and we need a full-time person to work in a small but highly energised team to deliver our innovative services.

### **Some of your tasks may include:**

Prepare and control real-time online auctions of livestock and wool with hundreds of participating users.

Build relationships with buyers, agents and producers from across the country. Assist them to use the system effectively.

Use social media tools to publish catalogues, results and commentary.

Enter assessments and review photos of stock for sale.

Maintain the AuctionsPlus user database.

Conduct stud stock sales interfaced with live auctions.

Spend time with our accredited assessors to gain an understanding and appreciation of the livestock industry.

### **The essentials:**

Reasonable rural and agricultural knowledge.

A keen eye for detail.

The ability to confidently and clearly communicate with clients and fellow staff members.

A demonstrated level of computer literacy.

Ability to work under pressure.

Flexible start date

Applicants for this position must have work rights in Australia.

While not required, tertiary qualifications in an agricultural related field would be beneficial but relevant rural experience will be equally regarded.
