

Operations Manager

Jindalee Feedlot, NSW

About this Opportunity

Teys Australia Jindalee is a 17,000 head modern feedlot facility located near Temora in the Riverina District NSW and is one of the most advanced feedlots in Australia. We offer excellent facilities for livestock handling and feeding throughout the feedlot.

Currently an opportunity exists for an **enthusiastic** person to join our progressive team as the Operations Manager.

The role primarily oversees and collaborates with **the livestock, feeding and milling departments** as well as **contractors and maintenance teams**. The position suits a person who takes ownership and accountability in decision making, and to assist the General Manager in operating a profitable feedlot.

Applicants should possess the following attributes:

- Ability to demonstrate contemporary animal husbandry techniques
- Ability to follow and enforce all OHS and environmental requirements
- Knowledge of machinery maintenance
- Ability to demonstrate development, and management of high performing teams
- Animal awareness and continual improvement on animal welfare
- Have advanced computer skills
- Ability to communicate and influence all levels of management and workforce
- Ability to work in a Quality Assured focused workplace
- An understanding of grain handling equipment
- Tertiary qualification in agricultural science or related field would be highly regarded

The successful applicant would ideally have prior experience in feedlot management. A salary package is offered based on the skill and qualification level of the successful applicant.

Applications (including cover letter and resume) should be forwarded to:

Shane Bullock
