

Skibo Downs

FARM MANAGER position - Gloucester NSW

An exciting opportunity has arisen for someone who has a passion for agriculture and experience in managing a beef grazing enterprise.

We are seeking a Farm Manager to run our 1985 hectare beef cattle property, 7km north Gloucester with Barrington River frontage.

The successful applicant will have experience, be self-motivated, intelligent and disciplined.

They will be responsible for the overall management and operation of all farm assets including:

- Pasture analysis and establishment
- Livestock nutrition
- Irrigation / Fertigation using a centre-pivot irrigator
- Regular financial analysis and reporting
- Staff & Contractor management
- Safety management and planning, general WHS.

In order to fulfil this role, you will need the following skills and attributes:

- Ideally a minimum 5 years farm management experience
- Mechanically savvy
- Excellent communication skills and strong attention to detail
- Sound computer skills, Word, Excel
- People Management Experience.

It is likely you will possess a tertiary degree or higher qualification in agriculture. In return for your skills and abilities, an excellent remuneration package will be negotiated.

Applications should include a covering letter and resume and emailed to:

bandhhenderson@optusnet.com.au
