

HEAD STOCKMAN

Rocklands Station QLD

A great opportunity for someone who has the passion and experience to work on a large cattle property assisting the Station Manager. This position is suitable for single/married. Air-conditioned accommodation and meals provided.

Our Rocklands Station is located 8 km North of Camooweal, North-West of Queensland. The station is a breeding operation producing turn-off stock for internal company movements and external markets.

The successful applicant will be self-disciplined and motivated with good work ethics, have excellent communication and leadership skills. Must be WELL experienced in cattle husbandry skills with full knowledge and ability to work to industry best practices and be able to work within structured work programs with good computer skills.

You will be responsible under the direction of the Station Manager for the following:

- ✓ Supervising and performing effective and timely livestock management and recording
- ✓ Maintaining safety requirements by ensuring WH&S procedures are adopted by staff
- ✓ Managing and supervising staff with good leadership and communication skills
- ✓ Maintaining and improving facilities and assets of the station

Preferable experience:

- A Tertiary qualification in agriculture would be an advantage
- A good remuneration package will be offered based on experience

Please forward a covering letter with your Resume to: recruitment@westerngrazing.com.au
