

ASSISTANT MANAGER - PROCESSING

Stanbroke is Australia's foremost vertically integrated beef company with a vision of becoming the world's best beef supplier. The Stanbroke Group is a unique agricultural business with extensive cattle properties in Northern Queensland, cattle feedlot, marketing and a state of the art beef processing facility.

Stanbroke is seeking an enthusiastic, results driven individual who prides themselves on a practical "hands on" approach.

Ideally the successful applicant would have a minimum of five years in a leadership and supervisory role within the export beef processing industry. This position reports to and assists the Manager - Processing.

Other skills and attributes that are required for the position are:

- Excellent product, yield and recovery knowledge
- High attention to detail
- Strong time management and organisational skills
- Self - motivated and leads by example
- Excellent communication and interpersonal skills
- Approachable and effective team player
- Ability to follow and foster Stanbroke work ethos
- Fresh, positive, can do attitude
- Foster continuous improvement within the plant

The position is located at Stanbroke's processing facility in the Lockyer Valley, near Toowoomba. The remuneration package offered will be competitive and commensurate with your qualifications and experience.

To apply for the position, please send your resume outlining your skills and qualifications to: - Manager - Human Resources, Stanbroke, PO Box 81, Gatton Qld 4343 or email to rosss@stanbroke.com

All applications will be treated with genuine confidentiality and close on November 24.
