

Vacancy – Stockperson

Charlton Feedlot, Charlton

About this Opportunity

Charlton Feedlot is located near Charlton in north-west Victoria just 2 1/2 hours from Melbourne. This very modern 20,000 head facility serves a key role in the Teys Australia supply chain producing quality beef for the domestic and short-fed export markets. We currently have vacancy for a Stockperson.

The responsibilities of this position will include pen riding, diagnosis and treatment of sick cattle, pen movements, drafting and weighing of incoming and outgoing cattle, general stock handling, record keeping and yard maintenance.

Ideally, applicants should be competent horse riders, possess good cattle handling skills, be able to work in a team environment and have a genuine desire to work in the intensive beef industry.

Applicants with their own horses and gear would be advantageous, however this is not essential as the Feedlot can supply working horses and gear if required.

Wages and conditions will be negotiated with the successful applicants including full maintenance of up to three horses for the pen riding role.

If this role would interest you please forward your written application including CV and at least two referees to:
