

## **Trades Vacancy – Maintenance Yardman**

Charlton Feedlot is located north-west Victoria just 2 1/2 hours from Melbourne. This very modern 20,000 head facility serves a key role in the Teys Meat & Livestock supply chain producing quality beef for the domestic and short-fed export markets. We currently have vacancy for a Yardman.

The responsibilities of this position will include yard maintenance and repairs to buildings and property. Ideally applicants should be experienced in a maintenance role, preferably with industrial site experience, have excellent welding skills and be able to work unsupervised.

Ideally, the successful applicant will possess the following attributes:

- Previous experience in a maintenance role.
- Mechanical skills.
- Licences to operate heavy machinery would be considered advantageous but not essential.
- Welding skills.
- Ability to work alone or as part of a team.
- Ability to perform manual handling tasks.
- Good communication skills - in person and over two-way radio.
- Sound record keeping, organisational and problem solving skills.
- Sound knowledge of OH&S.

This is a full time position and remuneration will be negotiated with the successful applicant. A full Position Description is available on request.

If this role would interest you please forward your written application including CV and at least two referees to:
