

## QA Coordinator – Deniliquin NSW

Australian Meat Group is a new major Food Processing Operation about to commence business in Deniliquin, NSW. This is an exciting time to join the company and to grow with the business at one of its two processing facilities.

Run by the former owners of the Tasman Group, this business is a start-up business with revenue expected to be in excess of \$200M within 2 years, employing over 400 people.

We are seeking a suitably qualified and competent Quality Assurance person to complete our Departmental team to support the processing operations. We require someone with a real passion for Quality Assurance who can help drive the company culture.

We specifically require a **Quality Assurance Co-ordinator** to oversee daily Quality operations on site.

Potential candidates would need to demonstrate experience or expertise in the following areas:

- Food Industry experience (Meat industry experience would be highly regarded);
- Assessing processing compliance with quality, food safety and animal welfare;
- Familiar with HACCP systems, SOPs and Specification Control Documents;
- AUS-Meat qualifications;
- Online checks to ensure products meet specification;
- Ability and confidence to approach all process employees;
- Ability to identify and assist in the resolution of meat quality, hygiene and animal welfare issues;

- Conducting internal audits;
- Laboratory sample collection and analysis;
- High level communication skills;
- Intermediate level computer skills;
- High level numeracy and literacy skills;
- Methodical and clear headed, particularly when under pressure;
- Able to work both as part of a team and independently;
- Ability to troubleshoot; and
- Be highly motivated and have initiative.

The successful applicants will be offered a salary commensurate with their experience.
