

LivestockLink

Business Manager – Central Queensland Livestock Exchange

As part of the ITS Global Group of companies, Livestock Link is Australia's largest and most reliable specialist service provider to livestock facilities.

An exciting opportunity has arisen for a Business Manager at our Central Queensland Livestock Exchange (CQLX). The facility is situated 8kms west of Rockhampton (Gracemere) on the Capricorn Highway.

Reporting to the Northern Manager, you will be responsible for the following:

- Management of the day to day operations including all aspects of sale day procedures
- Leading a team of employees, fostering teamwork and positive workplace relations
- Management of financials including budgeting and forecasting
- Management reporting
- Ensuring that livestock welfare is maintained by all parties
- Liaising with agents, transport representatives, buyers and all other stakeholders relevant to the successful operation of CQLX
- Monitoring and supervision of WHS procedures and policies to ensure a safe work environment.

You will be an experienced and organised leader, with proven experience with livestock handling and livestock husbandry. Knowledge of the daily operations and procedures within a livestock marketing facility environment would be highly regarded. You will be a confident and capable communicator with strong numeracy, literacy and computer skills.
