

Feedmill Supervisor

Charlton Feedlot is located near Charlton in north-west Victoria just 2 1/2 hours from Melbourne. This very modern 20,000 head facility serves a key role in Teys Australia's beef production. We currently have a position available for a Feedmill Supervisor to lead our Feeds Team.

Leading a team of up to 7 people, the successful applicant will be responsible for overseeing the hands-on day to day feedmilling and feeding operations at the feedlot. The modern steam flaking mill constructed in 2007 is state of the art and can process up to 200 tonne of grain a day. The feeding system utilises the latest Digistar technology and delivery is carried out using modern Rotomix feedtrucks. A key component of this role is to ensure compliance with all OH&S and QA protocol and to drive the performance and efficiency of the feeding operation.

Skills and attributes required:

- Minimum 2 years experience in feed milling, ideally with steam flaking experience.
- Previous leadership role.
- Strong communication & problem solving skills.
- Some mechanical experience.
- Computer literate.
- Excellent record keeping skills.
- Excellent knowledge of OH&S and QA principles.

Remuneration will be negotiated with the successful applicant.

Should this position be of interest to you, please forward your resume with at least two references, together with a cover letter to:
