## **TERRITORY MANAGER SOUTHERN QLD – LIVESTOCK SUPPLEMENTS / ANIMAL NUTRITION**

*Performance Feeds is seeking an experienced and motivated sales professional to join our Rangeland Supplements Program team in Southern QLD.*

- Leading Brand
- Dynamic and Rewarding Career Opportunity
- Competitive Salary Package

Performance Feeds Pty Ltd is a leading manufacturer and marketer of specialised liquid and dry supplements including **Anipro**, **WeatherPro** and **FibrePro** to the grazing industries throughout Eastern Australia.

Performance Feeds is seeking to appoint a motivated sales professional to represent the company's range of animal supplements to graziers in Southern QLD.

Working as part of an efficient team you will play a vital role in the business development and increase of sales to ensure the companies continued growth.

Performance Feeds is an innovative medium size enterprise operating highly efficient manufacturing facilities under HACCP, Feed Safe and ISO accredited quality systems.

The successful candidate will have excellent communication skills, be highly professional, have a developed and proven sales record, solid knowledge on livestock nutrition as well as an in depth understanding and empathy of Australian Agriculture, particularly related to grazing enterprises. A comprehensive on the job training program will be provided in conjunction with further development training.

The position requires regular travel; therefore time away from your home base is required.

A compressive salary package will be negotiated with the successful candidate.

If you meet the above criteria, please email a copy of your CV and cover letter to Peter Cush (National Sales Manager - Rangeland Program) at [peter@performancefeeds.com.au](mailto:peter@performancefeeds.com.au)  
For further information about this role, please call 0408 607 558.

Applications close by the 3<sup>rd</sup> April 2015.

All applications will be treated confidentially.
