

Livestock Buyer

Bindaree Beef is seeking suitable candidates for the position of Livestock Buyer for a region of Northern New South Wales. The successful candidate will have extensive skills in livestock assessment, marketing and procurement. Our buying team currently manages all our processor, grain and backgrounding procurement.

This role will provide the successful candidate with the opportunity to be part of a growing team within a business that has a very clear growth strategy in the beef sector. Only specialist people need apply. The remuneration package will include a fully maintained company vehicle, mobile phone, email and a salary in line with experience.

Please send **applications by 30 June** to –

Attention: General Manager of Livestock

Trainee Livestock Buyer

Bindaree Beef recognises the need to be developing young talent within our industry and as a result has a position available within our Inverell team to train and develop a young person who is passionate about the beef industry.

The program will involve training in all aspects of livestock assessment, administration, procurement and client service and is viewed as a support role to the current buying group. In time, this candidate will become a part of our Client Management (Buying) Team.
