

SMALLS BONING ROOM SUPERVISOR – DENILIQIN NSW

We are a new meat processing business which started operations in Deniliquin, January 2015. We will be operating two plants nationally and we have estimated the second facility to open in Dandenong July 2015.

With revenues expected to be in excess of \$200M within 2 years, and employing over 400 employees, this is an exciting time to come on board and join our growing business at one of our two processing facilities.

We are currently seeking an experienced and reliable **Boning Room Supervisor** to with small stock experience at our abattoir facility at Deniliquin.

You will have responsibility for assisting in managing the daily activity of the boning room to optimize and minimise costs and maintain quality standards ensuring that our processes are fully compliant with the international market.

Experience and skills required

- Proven leadership and supervisory capabilities;
- Direct, supervise and co-ordinate boning room operations;
- Demonstrated commitment to meeting all requirements in relation to food safety, people safety and maintenance and enhancement of brand integrity;
- Demonstrated integrity and a professional work attitude;
- Timely and accurate record keeping and information/paperwork flow;
- Good interpersonal and verbal communication skills;
- Sound technical knowledge of meat processing including product flow and manning requirements;
- Extensive Food Safety Knowledge;
- Highly developed Time Management skills including prioritizing and multi-tasking.

To be successful in this role, you will need to be able to back yourself and be solutions focused. A high level of energy and a positive 'can do' attitude will ensure that the room is running at its optimum and meeting financial targets.

You will be joining our business at an exciting time, and will be rewarded with a challenging and fulfilling role, and a generous salary package, commensurate with experience.

If you meet the above criteria and are keen and enthusiastic, please email your application to employment@amg.com.au and quote reference number DEN10.

All applications will be treated confidentially.
