

Laboratory Technician

Permanent full time position

H. W. Greenham & Sons are export meat processors requiring a suitably-qualified person for the position of Laboratory Technician at our Tongala (country Victoria) establishment.

Responsibilities of the role include:

- All aspects of microbial sampling and testing
- Document preparation
- Accurate and detailed record keeping
- Liaising with regulators and company management

The successful applicant will possess:

Bachelor of Science/Applied Science degree, preferably majoring in microbiology, food science/food technology or meat science (Suitable equivalent qualifications or relevant industry experience will be considered).

- Excellent laboratory and time-management skills
- Attention to detail
- Excellent communication skills
- The ability and motivation to work autonomously and as part of a team
- The ability to communicate with all levels of personnel (employees, managers, regulators)
- A willingness to undertake further study
- Experience in a multi-disciplinary laboratory (desirable but not essential)

Remuneration will be tailored to skills and experience.

Resumes should be addressed to:

Laboratory Manager
HW Greenham & Sons
PO Box 111
Tongala 3621

Email: Abhisatish.cj@greenham.com.au
