

# PLANT MANAGER

## LOCATION: LONGFORD, TASMANIA

JBS Australia is a division of JBS, Brazil's largest multinational in the food sector, and the world's largest meat company. JBS, a family owned company, exports to more than 110 countries and attributes its success worldwide to ensuring that all its facilities and processes are fully compliant with the demanding international market.

JBS Australia has an extensive presence along the eastern seaboard, with operations including 11 meat processing plants and 5 feedlots, and the recently acquired Primo business which includes 5 manufacturing plants, 7 distribution centres and 37 retail shops.

Reporting to the Operations Manager Southern, an opportunity currently exists for a **Plant Manager** and seasoned professional to deal with all aspects of assisting in running an efficient and profitable multi-species (beef & lamb) operation. This is a senior management position and requires a seasoned professional to oversee all aspects of running an efficient and profitable operation.

### RESPONSIBILITIES:

- Ensure maximum return for owners through development and monitoring of our systems.
- Maintain control of all aspects of general plant operations, either directly or through the provision of effective leadership.
- Ensure that the plant operates within the regulatory requirements of all relevant legislative bodies, as well as the policies and procedures of JBS Australia.
- Negotiate with all stake holders to ensure internal and external customer requirements are achieved.
- Undertake projects and activities as directed by the Operations Manager
- Lead and promote a culture where employee and food safety is paramount
- Develop a continuous improvement environment with a focus on operating cost reduction
- Utilise your thorough knowledge of the meat processing industry to produce a superior product

### KEY CRITERIA:

- Senior management experience within a meat processing facility.
- Comprehensive knowledge of relevant legislation, business practices, policies and procedures as they relate to a meat processing facility.
- Business acumen and financial management knowledge.
- Proven experience managing operation costs and the P&L.
- Demonstrated ability to lead a team at all levels of management and employees.

Well trained, motivated employees are the key to our success. JBS understands that employment is a partnership. We are committed to offering a positive work environment, continuous learning and appropriately rewarding the people who make our company a success. We expect your best. In return, you choose how far you'll go with JBS.

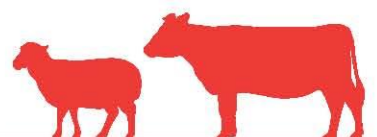

Applications (including a covering letter and resume) should be forwarded to:
