

Boning Room Supervisor

Hardwick's Meatworks is a family owned meat processing facility located in the Macedon Ranges shire, and currently has an excellent opportunity available for a boning room supervisor. With a brand new boning room in the final stages of completion, the business has plans to increase its production output and expand into new markets. Overseeing 60+ employees on a daily basis the role is integral to the plant's operations.

Experience and skills required:

Proven supervisory & leadership roles within the red meat industry

Excellent technical knowledge of boning rooms in a particular product flows and manning requirements.

Excellent interpersonal and communication skills

Ability to prioritise and multi task

Extensive food safety knowledge

AusMeat - Beef & Sheepmeat Accreditation

The key responsibilities

Supervise the end to end of the boning room operations

Ensure compliance with WHS regulations and enforcing that Health & Safety is the priority

Liaise with external bodies such as Primesafe, Ausmeat , DOA, SGS, and WQA

Maximising and reporting daily yield targets

Ensure compliance with Quality Assurance regulations

Deliver training programs amongst new employees and provide support where needed

Provide timely and accurate time and attendance to payroll

This role is critical to the plant's operations and you will be entering the business at a critical stage with a brand new processing facility to work with.

If this role is for you then we would like to hear from you!
