

Teys Australia Jindalee *requires a* **Feedlot Compliance Officer**

THE COMPANY

Teys Australia operates six modern and efficient beef processing plants strategically located across the Eastern seaboard of Australia at Naracoorte, Wagga Wagga, Tamworth, Beenleigh, Rockhampton and Biloela. The Company operates three cattle feedlots located at Jindalee, Charlton and Condamine. The geographic location of the Company's operations provides an ideal alignment with the Australian cattle production system.

THE POSITION

Overall responsibility and accountability for implementation, enhancement and maintenance of OHS, Training, Environmental and Quality systems for the Jindalee feedlot.

THE PERSON

The successful applicant will need to demonstrate the ability to follow corporate Operational Health and Safety policies, develop feedlot staff through training, maintain compliance with corporate environmental guidelines, and quality assurance and control procedures.

Successful candidates must possess the following:

- *Possession of, or satisfactory progress towards achievement of tertiary qualifications in a related discipline or professional membership of any relevant associations or organisations*
- *Tertiary qualification in a related discipline (i.e. Environment, OHS, Training or Quality)*
- *At least five (5) years experience in a relevant role within a farming or Feedlot environment.*
- *Advanced communication, leadership and change influence skills*
- *Advanced computer application and user skills.*
- *Current drivers licence is essential to perform this role*

Successful candidates should also possess the following:

- *WHSO and Rehab accreditation*
- *Qualifications in Training, OHS (Safety), Environmental and Quality Assurance or Control are highly desirable*
- *Post graduate qualification in a related discipline*

REMUNERATION AND CONDITIONS

Will be appropriate to attract the right person within the company's salary scheme and will be discussed at interview.

APPLICATIONS

To be received by COB 17th October and forwarded electronically to:
