

### Charlton Feedlot

#### **Livestock Supervisor**

Charlton Feedlot is located near Charlton in north-west Victoria just 2 1/2 hours from Melbourne. This very modern 20,000 head facility serves a key role in the Teys Australia supply chain producing quality beef for the domestic and short-fed export markets. Due to an internal promotion we currently have a position available for a Livestock Supervisor to lead our Livestock Team.

Key responsibilities include:

- Overseeing, guiding and training of livestock staff in accordance with relevant OH&S, animal welfare and quality assurance requirements.
- All aspects of cattle handling from induction of new cattle to dispatch of finished cattle.
- All aspects of animal health management from pen riding and treatments through to post-mortems.
- Data recording and input for all activities.
- Inventory control and stocktaking of all livestock products.

Skills and attributes required:

- Highly developed livestock and Horsemanship skills.
- Excellent communication skills and an ability to lead by example.
- Good judgement and initiative and the ability to problem solve.
- Sound computer skills.
- Sound understanding of OH&S and QA principles.
- Previous supervisory or leadership experience would be highly advantageous.

Remuneration will be negotiated with the successful applicant.

If you would like to be part of the Teys Australia team and this role interests you, please forward your written application including CV and at least two referees to:
